ABOUT ME

I am a dedicated and detail-oriented community professional with experience in managing and supporting Web3 communities across multiple blockchain ecosystems.

I value respect, inclusivity, and clear communication, and I approach every role with integrity and consistency. I am experienced in community engagement, moderation, and user support within fast-paced crypto environments, and I focus on maintaining active, safe, and well-organized communities.

EXPERIENCE

Titan Exchange, Canada – Moderator

November 2025 - PRESENT

Managed and moderated Titan Exchange, Solana's premier meta-DEX aggregator, across its Web3 community on Discord and X, ensuring a safe, active, and well-structured environment for users. Supported daily community operations by enforcing guidelines, responding to user inquiries, and escalating issues where necessary.

Worked closely with core team members to maintain engagement, improve communication flow, and support campaign and product-related announcements within the ecosystem.

Bitflow Finance, United States – Moderator

August 2024 - PRESENT

Moderated Bitflow Finance's Discord community by assisting users, resolving community issues, and ensuring a positive member experience. Partnered with the core team to organize community events, support ecosystem campaigns, and encourage active participation through discussions and educational initiatives.

Hermetica, United States – Community Manager

October 2024 - May 2026

Managed Hermetica's Web3 community across Discord and X, overseeing community activities, moderating discussions, coordinating other moderators, and collecting user feedback to improve engagement, onboarding, and growth around USDh and Hermetica's Bitcoin-backed DeFi ecosystem. I also set up the Hermetica Discord server during launch.
